Dear Rachael, Stuart and the whole Orison Team,

Thank you so much for all the time, effort and boundless energy you put into Orison Week for Salesian School recently. Without a shadow of doubt the week was a huge success with the children, staff and local community who experienced the prayer spaces and will have a lasting affect on them.

The concept of *Prayer Spaces for Schools* has clearly been well-thought out and I must say, very well put together and implemented by the whole team. Many of our staff came back from Highfield Road and commented on how professional you were and such great role-models to the children too. The witness to your personal faith was evident for all to see and hugely inspiring.

Enclosed is a small token of our gratitude to you. Thank you so much for all your hard work and for everything you have done for the Salesian School community.

Kind regards and God Bless

Yours sincerely

James Kibble
