

GRASSROOTS in TANZANIA

This form is to be completed by all those who wish to be team members for The Grassroots Trust mission trips to Tanzania. The cost of the trip covers return flights from the UK to Tanzania (and Kenya were relevant), all food, accommodation, travel & team leadership. The cost to each delegate will be approximately £453 (which includes travel insurance) plus the price of the air ticket (normally anything between £450 and £600). The delegate will also need to attend a team meeting and purchase their own visa/s, inoculations and anti-malarials. Please send this form with £500 deposit (payable to The Grassroots Trust) to secure your place.

By signing below I agree to the following statements:

- I want to be a team member of this Grassroots Trust Mission trip to Tanzania. I have chosen to come myself, and am under no obligation or pressure from The Grassroots Trust.
- I understand I must have a **valid UK passport and a valid Tanzanian visa** and that it is my responsibility to obtain these and have them with me throughout the mission trip.
- I understand that part of the cost of the trip is **travel insurance (including repatriation)**. It is necessary for this trip and is completely my responsibility to declare to The Grassroots Trust any pre-existing conditions. The Grassroots Trust is not responsible in any way for either my health needs or any property I bring with me on the mission trip.
- I understand that there are dangers in travelling to and in Tanzania. These include the risk of malaria (and other infectious or water-borne diseases), accident (in or out of means of transport), loss of property, crime and/or terrorist attack. All these risks **I accept as my own responsibility** and will not hold The Grassroots Trust, its directors or trustees responsible in any way.
- I understand that it is my own responsibility to arrange **anti-malaria drugs** and to take all other normal precautions against malaria. I also know that I am responsible to get any **other vaccinations** that I consider necessary having taken advice from my GP.
- I understand that I need to have had a **yellow fever vaccination** and to be carrying the certificate with me on arrival at Dar-es-Salaam airport and throughout my time in Tanzania.
- If I **bring my driving license and drive any vehicle** it is completely my responsibility to make sure I am insured properly, and not the responsibility of Grassroots. I also understand that whether I travel in a vehicle driven by myself or someone else it is my choice and my responsibility to consider whether the vehicle is road worthy, the driver competent and the time/route safe. None of this is the responsibility of the Grassroots Trust or any group leader, whether staff or volunteer.
- I confirm that I have **never been convicted of any offence** in any criminal proceeding in any court, in any country (apart of motoring offences that did not result in disqualification). Please contact us if this is not the case.
- My conduct has **never caused mental or physical harm to a child or young person** or put a child at risk. To my knowledge it has never been alleged that my conduct has resulted in any of those things.
- I understand that there have been **terrorist threats** towards British citizens in East Africa – as detailed on the UK Foreign Office website. I have made the decision to come in this knowledge and will not hold The Grassroots Trust responsible should the terrorist risk increase and I decide not to come.
